

# R. E. A. C. H.

Realizing Educational And Career Hopes

The Greater Egg Harbor Regional High School District's R.E.A.C.H. program provides an in-house education for special needs students who benefit from a community based life skills curriculum in a traditional high school setting. The R.E.A.C.H. program provides students with a blended learning experience of academics, career preparation, life skills & competitive sports activities. Students are taught the math and writing skills needed to maintain a household budget, balance a checkbook, create a resume, and complete job applications.

Vocational training is provided through job placements within the school such as the snack shack, school store, library, and athletic office. To prepare for adulthood, students learn basic kitchen operations, housekeeping, relationship building, self-advocacy, and independent living skills. The program also incorporates an intramural athletic program that allows the students to participate in organized group sports activities and compete against their peers from other GEHR schools in addition to outside schools such as Mainland, Hammonton, Triton & Timber Creek.

## September 29, 2018

Come on out and join the Elwood Vol. Fire Company & the folks with the Greater Egg Harbor Regional High School District R.E.A.C.H. program for an exciting day of golf & fun that benefits two great causes!

The day will consist of 18 holes of golf & a BBQ lunch with many additional thrilling activities such as: Prizes for 1st & 2nd places, longest drive, closest to the pin & hole in one. Plus a 50/50 drawing, Chinese auction, 50/50 putting contest & a chance for one person to sink a 50' putt for a **\$5,000** cash prize!

Those not wanting to golf can still join us for a delicious lunch, the 50/50 drawing, putting contest & Chinese auction which is always filled with many great items to bid on.

## Cost:

**\$90 per golfer before 9/01/2018**  
**\$100 after 9/01/2018**

Includes continental breakfast, golf, cart, lunch & refreshments.
